About Valorum Care Group

Valorum Care Group is a national group with a mission to support people to live their best lives. We are a leading provider of quality of care for:

over	within	liaising with over	supported by
1,000	50	130	1,400
people	services	Clinical Commissioning Group's and Local Authorities across England	employees

Our core services are:

- Supported living for people with a learning disability and/or mental health needs
- Residential care and nursing care services for adults with physical disabilities and complex health conditions

No Labels, No Limits is our ethos.

We believe that great care and support enables people to live the life they want and make choices about the care they receive. It is not up to professionals to make this determination – it is for the people themselves to have their own power and determination in their life.

We are proud of our expertise in supporting people with often complex health and social care needs. Many of the people we support have mental health challenges, learning disabilities, physical disabilities and associated complex physical health needs.

We foster a culture of caring for our residents and our employees alike. Everyone can be assured of spending time in a positive environment with teams who will work in partnership with them to enhance and sustain their quality of life. Our teams are dedicated and positive and passionate about the people we provide care and support for.

In short, we are tireless champions of innovation, excellence and collaboration in care.

Here are our values

We pursue excellence in everything we do

We raise the bar through innovation

We collaborate to get the job done

We focus on what matters

About Freshfields

Set in beautiful gardens near to Formby town centre, close to the nature reserve and the coast Freshfields Nursing home provides excellent care for individuals with physical and mental disabilities.

Our care is person focussed with each individuals needs being catered for individually so that they can lead a happy and fulfilling life doing the things they enjoys and accessing a wide range of activities.

With 31 bedrooms, 18 of which have en-suite facilities, all on ground level Freshfields is surrounded by extensive gardens with every room having a garden aspect and the majority having direct access to the gardens meaning all our residents can enjoy the beautiful surroundings. With a Good CQC rating Freshfields is a model nursing home with expertly trained staff able to support a wide range of conditions including;

- **Physical and neurological conditions**
- **Muscular dystrophy**
- **Spina bifida & Hydrocephalus**
- **Huntington's disease**
- **Stroke**
- **Spinal cord injuries**
- **Cerebral palsy**
- **Aquired brain injuries**
- **Motor Neurone disease**
- **Multiple Sclerosis**
- **Parkinson's disease**

We support residents & colleagues to fulfil their aspirations and reach their full potential.

REGISTERED MANAGER, 2022

Admissions

We focus on ensuring that all of the people we support have the opportunity to engage in activities that matches their interests, and our activities coordinator works with every person we support to tailor activities to their needs and ability.

We can care for people on a short or long-term basis and offer respite stays to enable loved ones to take a well earned break and recharge their batteries.

Individually tailored provision includes personal care, health and wellbeing, rehabilitation, and activities within the home and out in the community provided by our specialist team.

Our aim is to enhance people's quality of life, giving them as much choice as possible, enabling them to live every day in a meaningful and fulfilling way.

We work closely with each person we support, their families and loved ones to build a personalised support plan based on their needs, wishes and aspirations.

The difference it makes is a workforce who are proud to show their Valorum badge.
