

Marske Hall

Nursing Care Home

About Us

Marske Hall is a specialist nursing care home for adults with Profound and Multiple Learning Disabilities (PMLD), complex physical disabilities and long-term neurological conditions. Set within a beautifully adapted 17th-century Manor House in the coastal village of Marske-by-the-Sea, Redcar, Marske Hall provides person-centred nursing care and support in a welcoming and homely environment. Close to the promenade and beaches and surrounded by extensive gardens, the service offers opportunities for people to enjoy both the home and the wider community.

With 30 bedrooms across two floors, Marske Hall combines the character of a historic building with modern facilities designed to meet the needs of people with complex disabilities and healthcare requirements.

Who We Support

We support adults with Profound and Multiple Learning Disabilities (PMLD), complex physical disabilities and long-term neurological conditions, including:

- Profound and Multiple Learning Disabilities (PMLD)
- Complex physical disabilities
- Epilepsy
- Cerebral palsy

- Acquired brain injury
- Stroke
- Multiple sclerosis
- Motor neurone disease
- Muscular dystrophy
- Parkinson's disease
- Spina bifida and hydrocephalus
- Diabetes and other complex health needs
- Hearing, visual and speech impairments

Specialist Care and Support

Our experienced multidisciplinary team provides 24-hour nursing care and support tailored to each person's individual needs, preferences and aspirations.

We recognise that people with PMLD often require highly specialised support, including assistance with communication, mobility, nutrition, sensory needs and complex healthcare requirements. Our teams work closely with families, healthcare professionals and advocates to ensure every individual receives personalised care that promotes wellbeing, dignity and quality of life.

Living a Meaningful Life

At Marske Hall, we believe everyone should have the opportunity to participate in activities and experiences that are meaningful to them.

Our Activities Coordinator works alongside the people we support, their families and staff teams to create personalised activity programmes that reflect individual interests, abilities and goals. This may include sensory activities, community outings, social events, gardening, arts and crafts, music and opportunities to enjoy our beautiful grounds and coastal location.

Facilities

- Local beach and promenade
- All bedrooms en-suite
- Accessible Sensory Bathrooms
- Physiotherapy service, including physio suite with accessible gym.
- Large, fully accessible gardens.
- Activities Hall, Sun Lounge, Dining Room
- Mobile Sensory Tent
- Volunteer Program
- Nurse Call System
- 24/7 Nursing Care

Accessibility

Our service has been designed to provide a safe, comfortable and accessible environment for everyone. Facilities include accessible parking, wide hallways, lift access, modern ensuite wet rooms, accessible toilet facilities, nurse call systems throughout and accessible gardens, helping to promote independence while ensuring support is always available whenever needed. 24/7 care

Placements

We offer placements on a long term basis and on occasion we can offer respite care. Individually tailored provision includes personal care, health and wellbeing, rehabilitation, and activities within the home and out in the community provided by our specialist team. We work closely with each person we support, their families and loved ones to build a personalised support plan based on their needs, wishes and aspirations.
